

# Interface Design Using CSS

## Assignment 1

20.09.2023

—

Jane Tavares Bebik

200542588

200542588@student.georgianc.on.com

## Task:

### .Persona

- To create your persona, you can use any text editor, photo editor, or you can create it on paper and submit an image
- The user persona should include but not limited to:
  - The users name
  - Location
  - Age
  - Gender
  - Bio
  - The purpose of the visit to the website
  - Interests
  - Etc

### Wireframe

- Your wireframe should be created digitally. Some recommended software:
  - Photoshop (This is paid)
  - GIMP (Free alternative to Photoshop)
  - Any other free image editing software (there are a lot of options!).
- The wireframe should include images and sample text.
- Have fun with the design ... flex those creative muscles!
- Submit a jpg copy of the design

# Persona:

NAME:

Beatrice Doodle

LOCATION:

Doodle valley, USA.

AGE:

29

BIRTHDAY:

DECEMBER, 15

GENDER:

Female (SHE/THEY)

BIO:

Beatrice, or "Bea", from Doodle Valley, is a digital artist with a flair for the eccentric. Alongside her passion for art, her love for the kazoo is ever-present, often influencing her creative works. She's accompanied in her quirky pursuits by her snack-named cats: Cheeto, Dorito, and Burrito. When not crafting digital masterpieces or humming kazoo tunes, Bea enjoys eclectic tea parties and is often immersed in historical fiction novels featuring bold heroines.

WHY CLICKED:

She likes kazoo's and it is interested in the soundboard

INTERESTS:

Quirky art.

Tea parties.

Kazoo knowledge.

Unique sounds.

Frogs.

ETC:

Founded the mismatch socks lover club.

Loves historical fiction with sassy heroines.

Aspires to open a themed cafe.
